Getting a free license key

As a courtesy to the press and editors, we offer a free full-working License Key in order to enable you to evaluate all the features of UIComponents Collection without the 30-day limit and without any annoying nag-screen. These special License Keys are called "Green Keys", and cannot be used for commercial purposes.

Please send a request for your Green Key to [press \[at\] naxosdev \[dot\] com](mailto:press[at]naxosdev[dot]com), specifying that you're a journalist or editor in the process of reviewing UIComponents Collection (or other Naxos Development products) and, please, mention your name and the publication name. This offer is valid for all forms of media - Newspapers, Magazines, Internet Portals, Web-Based Magazines, Etc.
